

## **REMOVED APPLICANT REQUEST FOR RECONSIDERATION (MULTIPLE APPLICATIONS)**

Under title 2, section 60844, subdivision (a)(1) of the California Code of Regulations, submitting more than one application during either Phase I or Phase II of the application process is grounds for removing an applicant from the applicant pool. Therefore, you can no longer be considered for selection to the commission.

If you believe there are compelling circumstances that justify reversal of this determination, you may seek reconsideration. To request reconsideration, you must complete this form and submit it to the Bureau of State Audits within 10 days of receiving this notice. Upon receiving the information provided in the form, we will evaluate your request and notify you as to whether you will be allowed to regain your eligibility for participating in the selection process.

Please provide the following information and submit it to the Bureau of State Audits by e-mail, facsimile, or delivery to the address stated at the bottom of this form. This form must be received by the bureau no later than February 27.

Name: Rigoberto A Hernandez

Explanation of compelling circumstances: The first reason why I believe I should be allowed to regain my eligibility is because. I misread the question which asked to pick all the statewide elections I last voted. I interpreted as the last statewide elected I voted on. The second reason is that I was not aware that I was submitting my second email. Not the original email that was submitted on the original application. Thank you

I affirm, by signing or typing my name below, that the statements contained in this Request For Reconsideration are true and correct to the best of my knowledge.
